IMI
Hydronic Engineering

An architectural rendering of the ION Business Park, showing two modern, multi-story office buildings with large glass windows and balconies. The sky is a mix of blue and pink, suggesting sunset or sunrise. The buildings are illuminated from within, and there are some trees and cars in the foreground.

ION Business Park

FACTS

Project Name:	ION Business Park
Project Type:	Office Building
Location:	Waregem, Belgium
IMI HE Products used:	TA-Slider 160 and 750, Compresso Connect, Vento Connect, TA-Modulator, TA-Compact, TA-6-way valve, STAD, STAP, STAD and Statico
